

**MICROTEX SENSORS FOR DETECTION OF THE WEFT TREAD
IN TEXTILE AIR-JET LOOMS**

SOMET: CLIPPER - MYTHOS

Microtex product code: MTX-06106LS/10

Optical and mechanical characteristics:

- new version with optical distance 10mm
- sensitivity: standard
- application: reed extensor only

Microtex product code: MTX-06106HLS/10

Optical and mechanical characteristics:

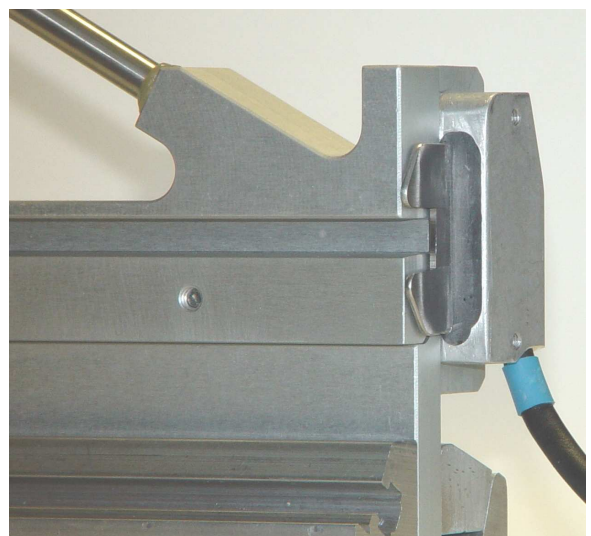

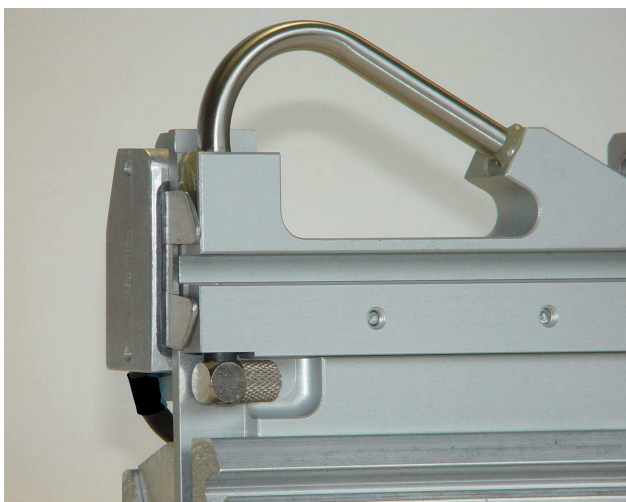

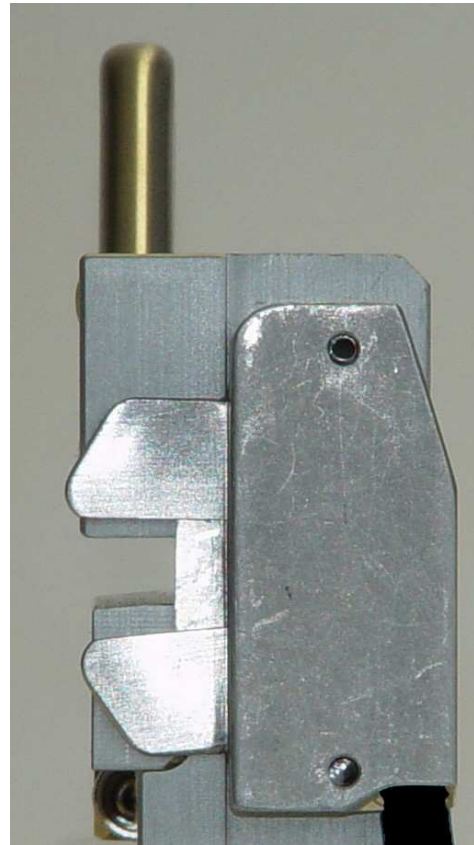

- new version with optical distance 10mm
- sensitivity: high
- application: reed extensor only
- identified by a blue ring on the cable

**Microtex sensors for detection of the weft tread in textile air-jet looms:
Somet: Clipper - Mythos**

Microtex product code: MTX-06106LS/10

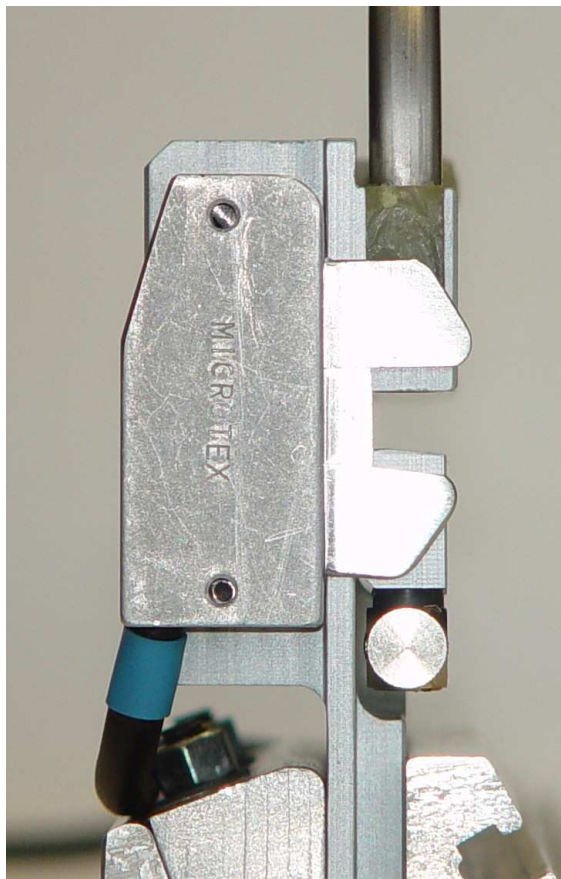

Microtex product code: MTX-06106HLS/10
